September 18th, 2015

Patrons will be sponsoring the first Box Top Contest of the school year. All box tops need to be turned into your child's homeroom teacher. The classroom that has the most box tops wins a class party of their choice of ice cream or pizza. All tops need to be in by the end of school October 24th. You can also help earn points by visiting BTFE.com. Please make sure box tops are trimmed properly, have not expired and child's name and grade are on baggie/envelope.

2nd Grade Science

The second graders have been studying the lifecycle of butterflies since school began and have observed caterpillars grow and molt. They now have chrysalises hanging in their room that will soon turn into Painted Lady butterflies.

Yesterday they had the opportunity to join the second graders from Hancock on a field trip to the Charlotte Rhoades Park & Butterfly Garden in Southwest Harbor. There they were able to view all stages of the lifecycle of a butterfly, from egg to caterpillar to chrysalis to butterfly. They also were able to see a butterfly tagged and released, after getting a 'butterfly kiss!'

PARENT SURVEY RESULTS

Safety & Facility

: While a majority of families agreed that LCS is a safe & welcoming place for students and parents, we had a little work to do on the playground and our facility. I am happy to report that the broken slide has been removed and the wood chips were fluffed. The basketball court was repaved and the old hoops were replaced with new adjustable ones. Finally, the broken benches were removed and the backstop was disassembled. A great big thank you goes out to PATRONS, Nate Mason, Brett Jones & the Fowlers for making this happen!

You might also have noticed some changes in and around our building. First, we replaced the damaged skirting on the front portable, and the 8th grade is working on beautifying the ramp. The old ramp on the back portable was disassembled and replaced with new steps. Finally, the front school sign was repainted and moved closer to the walkway, making it easier to see and access.

Important Reminders

Dress Code: Even though it still feels like summer, please remember to follow the school dress code. Shorts and skirts must be no shorter than mid thigh, and shirt straps should be at least two fingers wide. Belly shirts and spaghetti straps are not allowed.
